

TECHNICAL DATASHEET

HYDAR HLPV

Typical properties :

ISO VG		15	22	32	46	68	100	150
Density at 15°C		0,865	0,866	0,866	0,874	0,878	0,881	0,883
Viscosity Index		123	129	128	126	124	112	106
Flash point	°C	175	182	185	200	215	230	255
Pour point	°C	<-42	<-42	-36	-36	-33	-27	-21
Viscosity at 40°C	cSt	15	22	32	46	68	100	150
Viscosity at 100°C	cSt	3,6	5,2	5,9	7,4	9,7	12,1	15,6
TAN mg KOH/g		1,0	1,0	1,0	1,0	1,0	1,0	1,0

Specifications : DIN 51524 Part 3 HVLP

General information:

High quality anti-wear hydraulic universal oil withstanding wide ambient temperature variations. Recommended fluid for heavily loaded hydraulic systems, submitted to important temperature variations. Especially suitable for applications as hydraulic fluid in mobile(outdoor) systems.
